# Testimonials

“The event space was perfect - it was private, yet felt open due to the large bright windows. The decor is fresh, yet traditional; a place to savor, not breeze through. The property is just off the main street, so you are close to everything including the harbor. I cannot wait to get back for a leisure trip!”

“We hosted a group staying at the hotel for a wedding. Each room was beautifully decorated and elegantly appointed down to the last hand towel. The bathrooms are stunning, and worth the stay by themselves. The capper, however, was the professional, friendly and thoroughly accommodating staff that hosted us. Everything considered, this was easily one of our top-five most memorable hotel stays ever. Camden is a beautiful place to visit, we will undoubtedly return, and will stay in no other hotel.”

“Excellent venue, professional staff that went the extra mile to satisfy all needs. Walking distance to shops, restaurants and picturesque harbor is a huge plus.”

“A perfect little jewel in the middle of Camden. The hotel is absolutely gorgeous! It elicits a contemporary boutique vibe, all the while offering a cozy, rustic feel with many fireplaces, cozy leather couches, and an intimate and engaged staff at the ready for any needs you may have! I can honestly say that everything about this hotel and our experience was amazing!”
